

Fall brings Harvest

Ms Paytyn

October

Ms Kendelynn

This month we will be doing some very fall festive sensory and art projects. We also have a Wonderful Fall Festival planed for the end of the month. We will also be leaning about the character traits of Cooperation and Courtesy, through Bible stories and circle time prayers

Learning objectives

This month the kiddos will be able to sign "sorry", "eat", "water". Your kiddos will be able to recognize the shapes rectangle, oval, pentagon. They will be able to recognize the colors orange, purple, and black. We also will still be working on the calendar with the days of the week, the month, and the date. We also will be introducing closing circle time prayer where we will pray before we end circle time
